J B Tool Hire Limited

J B Tool Hire, a family tool and plant hire business established for over 25 years, offer a wide range of tools, plant, and equipment hire for use in the groundworks, road building, waste handling, and construction industries.

We are located in the East Midlands having depots at Coalville, Hinckley, and Loughborough in Leicestershire, close to the main motorway network of M1, M6, M69, M42, which enables us to serve our immediate client base in Leicester, Derby, Nottingham, Melton Mowbray, Stoke, Tamworth, Coventry and Nuneaton, also Manchester, Sheffield, Birmingham, Peterborough, Lincoln are within easy reach.

We pride ourselves on the condition our plant for hire, much of which is under three years old, and implement a rigorous schedule of service and maintenance on the tools, plant and equipment we hire out. Should any problem arise we have a fully trained, well equipped team of mobile plant maintenance fitters who can respond rapidly nationwide.
